

Asset Register

The following Asset Register is provided for your convenience to record all the items you code with SmartWater. It will enable you to detail the description and serial number (if applicable) of each item coded. When your property changes hands (via sale, disposal, etc), please ensure the following details are completed.

Item - Make	Department	Item - Make	Department
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
